BOOK SYNOPSIS

Providing the ultimate terminology reference for veterinary assistants and technicians, AN ILLUSTRATED GUIDE TO VETERINARY MEDICAL TERMINOLOGY, 4e provides an engaging, systematic approach to learning medical terms and understanding basic principles of veterinary medicine. This user-friendly textbook delivers a unique pedagogical presentation that makes it a comprehensive learning resource. Focusing on how medical terms are formed, analyzed, and defined, the text discusses anatomical landmarks, the positioning of animals, and the relationships between body parts. It also introduces terms used in the animal industry. Case studies illustrate how medical terminology is experienced in real-world practice, and an audio wordlist enables readers to hear the terms they are learning. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
