## BOOK SYNOPSIS

More than a generation has passed since the appearance of the last major Catholic Bible dictionary. It has been a fertile generation for biblical scholarship, an eventful time for biblical archaeology, and a fruitful time for the Church's interpretation of the Bible. It is time for a new resource. Scott Hahn, internationally renowned theologian and biblical scholar, has inspired millions with his insight into the Catholic faith. Now he brings us this important reference guide, written specifically for Catholics, which contains more than five thousand clear and accessible entries and covers a wide range of people, places, and topics. From Genesis to Revelation, the whole of salvation history is presented and explained in smart, easy-to-understand prose. Catholic Bible Dictionary is an invaluable source of information, insight, and guidance for Catholics and others who are interested in enriching their understanding of Sacred Scripture. Scott Hahn draws from two millennia of scholarship to create an accessible and comprehensive tool for deeper and more rewarding biblical study.
