BOOK SYNOPSIS

One-stop source provides a current and historical overview of American industries. An unparalleled source that provides a comprehensive look at American industries, Encyclopedia of American Industries chronicles the history, development and status of approximately 1,000 industries in the United States. Distinguishing itself from other business reference titles, Encyclopedia of American Industries is unique in its exhaustive coverage of American industry and in its special attention to industrial history. Also separating the Encyclopedia from competing sources is its consistent and easy-to-use encyclopedic format. The two-volume collection of articles are written with the accuracy and depth necessary for the professional, but at a level understandable to the novice and will be useful to a wide audience, including business-people, students, teachers, librarians, job seekers and investors. Essays, ranging in length from 500 to 5,000 words, provide a straight-forward examination of each industry. Here's a sample of some of the industry areas covered in EAI-- Manufacturing-- Transportation-- Entertainment-- Wholesale and retail trade-- Agriculture-- Construction-- Communications-- Finance-- And many others. Individual entries typically contain: -- Size and impact of industry-- Industry organization and workings-- Historical development-- Current status of the industry-- Leading companies within the industry-- Size and nature of the workforce-- International outlook-- Technological and legal developments-- Bibliography. In addition to including charts and graphs, which supplement the text with specific industry information, the Encyclopedia also includes two indexes. The industry index provides users with a comprehensive roster of products and services and the SIC classifications under which they are categorized. And, to help users quickly and easily pinpoint key information, th

FOOD DRYING VOL. 1 HOW TO DRY FRUIT VOLUME 1 - Are you looking for Ebook Food Drying Vol. 1 How To Dry Fruit Volume 1 ?
