Editorial review: From test-study-guides.com This highly popular study guide is authored by SAT preparation guru and standardized test expert Dr. Gary Gruber. Grubers Complete SAT Guide is notable in that it follows a critical thinking approach aimed at giving test-takers the tools necessary for finding the correct answers in a short timeframe. In addition, the book is highly organized, has a clear writing style, and features five full-length practice tests. Highly recommended and likely the best of the best SAT books.
