## BOOK SYNOPSIS

Hebrew-English Torah: The Five books of Moses is a Study Edition of the traditional Masoretic text, placed next to the classic "word-for-word" Jewish translation; it features the most authoritative Hebrew text -- based on the Leningrad Codex and complete with cantillation marks, vocalization and verse numbers. The large format and the use of good paper are part of the design to allow a diligent Torah student to write on margins for more efficient learning. This printed edition comes with a free downloadable PDF edition of the title provided by Varda Books upon presenting to it the proof of purchase.
