BOOK SYNOPSIS

This thoughtful collection explores the writing of provocative poet, author, and performance artist Sapphire. Like James Baldwin, Toni Morrison, Alice Walker, and other important writers, Sapphire challenges narratives that limit human imagination and possibility. *PUSH*, and its award-winning film adaptation *Precious*, have sparked national debate about the intentions and responsibilities of black literature and cinema. *Sapphires Literary Breakthrough* enlists new and established scholarly voices to elucidate Sapphires social justice concerns and to locate her contributions within larger African American literary traditions and cultural landscapes.
